----	------	--	------------

48	2900		Undamaged
----	------	--	-----------

92	2960	4 I XXI	Burned out
----	------	---------------	------------

93	2961	3 I XXI	
----	------	---------------	--

94	2963		Burned out
----	------	--	------------

95	2964	I I XXI	Undamaged
----	------	---------------	-----------

96	2944	3 I XXI	
----	------	---------------	--

A further five tanks were recorded as being completely unmarked - I take this to mean that they didn't have RE numbers. This takes the total to 101 - the number recorded as found on the battlefield at Beda Fomm
